WHAT'S THE NEWS?

The month of December is a busy one for our VPK students. We will be touching on all the different cultures as we explore Christmas around the world. Old and new traditions will be learned as we celebrate Christmas the way the Italians, Germans, and Mexicans celebrate the holidays. Fun crafts, exciting stories, and so much more is instore for VPK this month. Feel free to share a tradition with your child so they can share it with our class. Merry Christmas and Happy Holidays from LOLA and our VPK classroom.
