APRIL 2021 NEWSLETTER

WHAT'S THE NEWS?

Our journey this month begins with us traveling back in time to the prehistoric era! There is much to learn about Dinosaurs and our VPK friends will enjoy some fun activities that will inform them all about these giants that once roamed our Earth! We will learn how to count by 5's and what comes before and after 100. We will continue to practice our reading skills, blending letter sounds to form words and practice opposites.
