

Little Owl Learning Academy

## It's always a HOOT at LOLA!

APRIL 2021 NEWSLETTER

### WHAT'S THE NEWS?

This month we will be learning about life with dinosaurs. We will make and classify fossils, dig up bones, and explore sites where dinosaurs have been found, all virtually of course! We will witness the hatching of a new dinosaur and learn about habits and traits of each beautiful giant. In phonics, we will continue with letter recognition and identifying the sounds we hear in our name. As we trample our way through math, we will learn the steps to add and subtract simple numbers, and in literacy we will continue to retell stories but this time, we will add props!

### MONTHLY CURRICULUM

**Theme:** Dinosaurs

**Letter:** A-Z Recognition **Color (s):** ALL/BLENDING

**Shape:** ALL **Numbers:** 1-30
