WHAT'S THE NEWS?

Hello Mrs. Jessica's, VPK class!

The month of November is a busy one for our VPK students. Our VPK students are learning about rhyming words, beginning blends, addition and counting up to 10. Thank you to everyone who participated in our Trunk-Or-Treat event, we all had a blast!! Please remember that our Harvest Festival and On-Site Field trip is this month. If you have not turned in all fees and the permission slip yet, please do so ASAP. Without this, students will not be able to participate. We hope everyone has a wonderful November!
